Dear Friends,

We all have our family traditions at this time of year, whether it's the games we play, food we eat or people we meet over the season. What we often forget is that all traditions have to start somewhere. Sometimes we even forget why it is we do what we do.

We want to invite you to put the meaning back into Christmas this year and make us part of your tradition. Come hear the story of the first Christmas. Be a blessing to the charities we support and bringing joy and light into the lives of people everywhere.

We pray, however you keep your Christmas, that it is full of love, hope, peace and joy. May the light and life of the Christ Child be your gift this year.
